PAPER 3 E

Senate Res

SUBJECT: EXPIRY DATES FOR TERMS OF SENATORS

August 18, 1966

FROM: REGISTRAR

Senate should decide the terms of office for those Senators elected last November.

(1) THE ACT: 24 (1) Members of Senate shall hold office for a period of 3 years and until their successors are appointed or elected.

(2) THE RULES OF PROCEDURE OF SENATE

The terms of office of Senators shall be as outlined in the Act, with the additional proviso that the term of office shall be taken to mean from the nearest June 1, which shall be the time new members take office.

(3) The Faculties and Joint Faculty in November, 1965, elected members for 3 years, 2 years, and 1 year, in order to give some turnover during the 3 years and obviate a complete turnover 3 years hence.

RECOMMENDATION:

Faculty Appointments (Section 23 (c))

		<u>Appointed</u>	<u>Expiry</u>
3 years - J. Mills (for Maud)	Arts	November 1965	May 30, 1968
	K. Rieckhoff	"	"
	G. Kirchner	"	"

Joint Faculty Appointments (Section 23 (j))

(a) Appointed by Faculties individually:

3 years - D.H. Sullivan	Arts	November 1965	May 30, 1968
	W. Vidaver	"	"
	M. Bawtree	"	"

(b) Appointed by Joint Faculty:

2 years - R. J. Baker		November 1965	May 30, 1967
	J. F. Ellis	"	"
	A. M. Unrau	"	"
1 year - T. B. Bottomore		November 1965	November 30, 1966
	G. L. Bursill-Hall	"	"
	T. H. Brose	"	"
	E. M. Shoemaker	"	"

The replacements for these 1 year appointments would be elected nominally for 3 years, but actually from December 1, 1966, to May 30, 1969.

The above schedule truncates the 3 year and 2 year terms to 2½ years and 1½ years respectively.

The other elected Senators, i.e. the 6 from Convocation, were appointed June 1st, so their terms are now on schedule and expire May 30, 1969.
