Re: SENATE REPLACEMENT FOR DR. VIDAVER DURING THE
SUMMER SEMESTER

Dr. W. Vidaver, who is a Senate Representative of the Faculty of Science, will have a research semester during the summer and will be unable to attend Senate meetings during this time. Dr. Glen Geen of the Department of Biological Sciences was nominated and elected by acclamation by the Faculty of Science to replace Dr. Vidaver on Senate until Dr. Vidaver is able to resume his Senate duties.

Senate is hereby asked to seat Dr. Geen as a member of Senate during Dr. Vidaver's absence.

You will recall that at the last meeting of the Senate we replaced W. Vidaver with G. Geen for the Summer semester. Could I remind you that at the time you said that the Science Faculty would come up with a suggestion for a replacement for W. Vidaver on the Library Committee.
