The University Act and Rules of Senate require that the Registrar report the results of elections to Senate and the Board of Governors for information.

Faculty Election to Senate

A call for nominations to Senate went out on June 10, 2011 for the following vacant positions:

Faculty member from Environment elected by Environment
Faculty member from Health Sciences elected by Health Sciences
Faculty member from Health Sciences elected by Joint Faculty

No nominations were received for these positions. Mehrdad Saif has officially resigned from his position on Senate, so there is an additional vacancy for a faculty member from any faculty elected by the joint faculty.

Another call for nominations will be issued during the Fall 2011 term to fill these four vacancies.
