Location: Fort St. John

Date: July 4-13, 1994

Days: Monday-Saturday

Time: 8:30 a.m.-12:30 p.m.

	UVic	*SFU	UBC
Course Number:	ED-D 487	✓ EDUC 380	EPSE 437
Section Number:	P58	T1.00	96Q
TT or Cat Number:	38609	65359	23968

COURSE DESCRIPTION

The nine day program designed for practicing classroom teachers focuses upon the identification and modification of students who have disturbing behavior. In particular, methods and strategies for students identified as FAS/EFFECT and ADD will be developed. An interdisciplinary approach to short-term and long-term involvement will be investigated. The academic, social and relationship implications of classroom management strategies will form a significant part of the program.

INSTRUCTOR PROFILE

Dr. Richard Zigler is a seasoned Student Support Services Director responsible as Change Agent in a number of school districts in western Canada and as such, has been responsible for significant changes in meeting the challenges of children with special needs. His broad experience in all aspects of the change process including teacher education, inservice and realistic approach to consultation, has met with great success.
